

MIXED AGE EVENTS & CONSUMPTION OF ALCOHOL

One of the great strengths of our club is the number of juniors who play through our senior ranks. These players are vital to the success of our club as a whole, all the way through to the top men's and women's teams.

Throughout the year we may hold a range of informal and formal functions and gatherings as teams and as a club. All players who played in senior teams (including those under 18) are not only welcome, but are encouraged to attend. This invitation is extended to the parents of those juniors as well.

Suburban Lions Hockey Club supports the responsible consumption of alcohol. Alongside legal obligations not to serve or supply alcohol to anyone under the age of 18 and those who appear to be intoxicated, as an all ages environment all attendees of club gatherings and functions are expected to be mindful of the younger members of the club. In ensuring our club maintains its inclusive and welcoming culture, the support of everyone in ensuring a safe and fun environment to be enjoyed by all members of the club is greatly appreciated. We ask all adults to be cognisant of the potential presence of juniors around the club and events and display appropriate behaviour generally and in particular to alcohol consumption.

To the parents of any juniors attending all age functions, we ask you to convey to your child appropriate behaviour given the presence of alcohol and the requirements of the club.
